Republican Candidate for California Governor, John Cox and RCOH President Barbara Hazlett at the San Diego County Republican Party meeting, June 1, 2018.
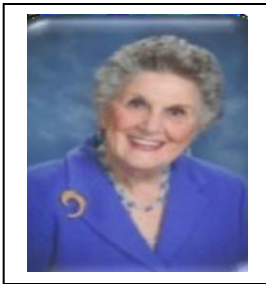

President's Message
Barbara Fleeman Hazlett
June 2018

We had some great successes in the June 5th Primary. Republicans made it to the "Top Two" in several offices. I want to thank all the RCOH members and volunteers that distributed our Endorsed Candidates List for The Gubernatorial Primary Election. I believe that our recommendations helped elect outright some candidates for County Offices.   The Republican Candidate for the 49th Congressional District, Diane Harkey, took the #1 spot in San Diego. The most exciting outcome is John Cox as Candidate for Governor of California. We also have a Republican in the "Top Two" for Secretary of State, Treasurer and Attorney General. In November we do have an opportunity to "Change California". However, we have to continue the momentum, as the Democrats will be focusing on maintaining their control of Sacramento.

This Saturday, June 23rd, is June's National Day of Action. Roarke Shanley, Field Representative for the California Republican Party, says "Republicans across the state will be in their communities to knock on doors, make phone calls and rally to fight for a Congress in this year's election that will represent our values! **Join your Republican neighbors at the CAGOP Headquarters in Vista this Saturday, June 23rd from 10 AM -2:00 PM to make a difference. "** Please contact **Roarke @ (858) 688-5918 or** rshanley@cagop.org t**o RSVP.**

Please let me know if you want to join me on Saturday. We can learn a lot about contacting Registered Republican and Declined to State here in Ocean Hills. The Democrats did have a higher turn out of Voters in North County in the Primary. We have to be energized and organized from now until November.
