

Republican Club of Ocean Hills

AUGUST 2018 Issue 37

Barbara, Carl DeMaio, and Michael Richardson

President's Message Barbara Fleeman Hazlett

Only 85 days left before The November elections. We have been working hard since the Primary in June to inform voters about the Republican Candidates that must be elected to make California the Golden State it once was: John Cox for Governor, Judge Steven Bailey for Attorney General, and Mark Meuser for Secretary of State. In Congressional District 49, there is a concentrated effort to elect Diane Harkey to replace retiring Congressman Darrell Issa.

There will be a Victory Strategy Session held on Saturday, August 18, from 1:00 PM to 3:00 PM at Ocean Hills Country Club to train residents to contact registered voters to get out and vote in November for our endorsed candidates. We will need the cooperation of all the members to succeed.

In California we will have Prop. 6-Repeal the Gas Tax on the November ballot. This is important to all Californians, Republican, Democrat and Independent. The gas taxes in California are already the second highest in the country. The tax money raised in the past has not been used to improve our highways and infrastructure. It has been diverted to The General Fund. Even to The Bullet Train to Nowhere. In addition, this Gas Tax Law allows for an automatic tax increase every year. We have "Prop.6-Stop the Gas Tax" signs available for your front lawn now, for display after Labor Day. This is not a partisan issue. Every house should have a sign.

The City of Oceanside will have two Initiatives on the ballot November 6th; Approval of a ½% sales tax, which we oppose and approval of S.O.A.R, which we also oppose. S.O.A.R., (Save Our Agricultural Resources) takes away the property rights of the farmers. It forces them to have their property changes, not only approved by the Oceanside City Council, but approved by the total vote of registered Oceanside residents. The farmer would have to pay the cost of putting his request on the ballot. It could cost from \$50,000 to \$500,000. It is an unjust restriction. We must become involved and energized to save our beautiful city and state.

Steve Hasty

Candidate for Mira Costa Community College,
Board of Trustees, District 7

Steve grew up in Murfreesboro TN where he credits his conservative values to his Grandfather - who was a Southern Baptist Preacher. He came to San Diego in 1990 as a new recruit in the United States Navy and served 10 years of his Navy career in San Diego as a Navy Corpsman - 8 of those years at Camp Pendleton.

In 1992, Steve married Oceanside native Karen Siegfried and they bought their first home in Oceanside in 1994. They have two daughters - Kayla (25) and Raegan (9). Steve and Karen served on the Parent Teacher Fellowship at Tri-City Christian School where they were instrumental in running a Jog-a-Thon fundraiser to purchase two school buses.

Steve is owner of an Entertainment and Events Company that he formed in 1995. Within the hospitality industry, Steve has served on a number of boards that specialize in weddings.

He was a first-time candidate for Oceanside City Council in 2016. Steve is a 2018 candidate for Mira Costa Community College, Board of Trustees District 7. He seeks your support and that of other North County residents to bring a different style of leadership to that Board.

Mr. Hasty has a vision for Mira Costa to help and support more students and programs in the Community College District. Now is the time for some fresh perspectives by the Board of Trustees. Steve Hasty is that candidate. He would be honored to earn your vote in November.
