MARCH 2019 Issue 43

President's Message
Barbara Fleeman Hazlett
March 2019

Spring is here! We have longer sunlight and a more positive attitude seems to be blossoming with the trees and flowers. We all seem to have more energy this time of year. The first quarter of the year is gone. We have been inundated with the names and speeches by the multitude of presidential candidates for the Democrat Party.

Republicans cannot be caught unprepared to present electable candidates for all offices on the ballots. 2020 is the first year that California will have its Primary in March. This way we will be a state that will be an early leader in selecting presidential candidates rather than after other states have virtually selected those candidates. This means that we have to start working now to promote outstanding candidates. The RCOH will invite these candidates to speak at our meetings as soon as possible. We want to be educated voters.

More than ever, it is essential that everyone become involved in expanding our base. We all have busy lives and other commitments. What I am saying again is what I said last month. We need a Captain in every precinct. These Captains will recruit assistants, one or two Republicans on every street to build relationships with fellow conservatives. Introduce yourself, send them emails, and invite them to our meetings and other Republican Clubs. Most Republicans are looking for friends with whom they can talk politics and not be shouted down. By next year, you will be friends. They will look to you for voting information and recommendations. If they cannot get to the polls, they will feel comfortable giving you their ballot to deliver. We must turn San Diego Red again

Jim Desmond
San Diego County Supervisor,
District 5

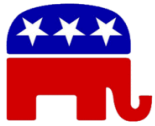

Mr. Desmond was recently elected as San Diego County Supervisor of District 5 which includes the cities of Oceanside, Carlsbad, Vista, San Marco and Fallbrook. Jim was elected Mayor of San Marcos in 2006 and re-elected in 2010 and 2014. For two years prior to being elected mayor, Desmond served as a San Marcos City Council member. In addition to mayoral duties, he was the City's primary representative as Board Member of San Diego Association of Governments (SANDAG) and was the Chairman of the SANDAG Regional Transportation Committee.

Jim also served as Chairman of San Marcos Fire Protection District. Since 2007, he represented the North County Inland Cities (San Marcos, Vista, Escondido, and Poway) as a Board Member of San Diego County Regional Airport Authority. Desmond's city service started in 2000 as president of the board of San Marcos Economic Development Corporation (SMEDC) and from 2002 as an alternate on the city Planning Commission.

Supervisor Desmond is a US Navy veteran. He earned a Bachelor Degree in Electrical Engineering from San Diego State University and completed the Leadership North County program at California State University San Marcos. In the 1990s he founded, managed, and sold Technical Standards, Inc. a technical writing and document company. Desmond served as a San Marcos Chamber of Commerce board member.

Since 1986, Jim Desmond is currently employed as a Captain for Delta Air Lines flying Boeing 757s and 767s domestically and internationally.

Supervisor Desmond and his wife of 33 years, Kerri, reside in San Marcos. They have two grown children.
