August 2019 Issue 48

President's Message Barbara Fleeman Hazlett August 2019

Another month has flown by. For the last several months, I have been emphasizing how important it is to have a strong grass-roots organization to elect Republicans in North San Diego County, Sacramento and at the Federal level. This is still our most important goal. San Diego County Republican Party is sponsoring the September Surge. They are looking for motivated individuals to walk their neighborhoods and contact Decline-to-State voters. Republicans hold a closed primary in March and it is our job to let them know that if they want to support our president with their vote they must register Republican today.

Many of us have been attending "Meet and Greet" fundraisers for Brian Maryott, Candidate for the 49th Congressional District. We must replace our current representative who supports the New Green Deal and impeachment of President Donald J. Trump. Does he represent your values? Our second goal is to have a conservative Republican from the 76th Assembly District represent us in Sacramento. The Democrat representing us wants to take away our property rights by limiting our times for short term rental properties. Also, she is for more taxes and regulations.

Republicans can no longer wait for someone else to volunteer their time. Now is the time to register Republicans, support our candidates and help spread the word of our goals; better education, lower taxes, voter integrity, continued job growth and safe borders. Make a difference in our community. Become a more active member of The Republican Club of Ocean Hills. We need your ideas and energy to elect the right candidates at all levels.

To keep you better informed, San Diego News Desk is providing local news and covers everything impacting our community. It is a very good alternative to "Fake News". Check the Internet at WWW.SANDIEGONEWSDESK.COM. Now is the time to bring back a Red Wave!

Tony Krvaric, Chairman of the San Diego County Republican Party.

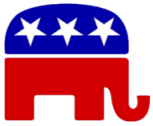

Born and raised in Sweden, Tony Krvaric was inspired by Ronald Reagan's optimism and unshakable belief in free enterprise, individual liberty and limited government, vowing to one day come to America and pursue his own American Dream.

In 1992 he arrived in San Diego and started his own business in the computer industry. In 1998 he discovered his passion; helping individuals make smart financial decisions – and joined A.G. Edwards as a full service Financial Consultant.

The first part of Tony Krvaric's American Dream came true in May of 2003 when he was naturalized as an American citizen, calling it "one of the proudest days" of his life.

In 2007, Tony was elected Chairman of the Republican Party of San Diego County. Under his leadership, the Republican Party has continued to grow in its capacity to put Republican ideas into action by supporting and electing Republican candidates to office.

Tony lives in the Scripps Ranch area of San Diego with his wife and their four children ("two boys, a marine, and a princess.") The family attends St. Michael's Catholic Church in Poway where Tony is a proud Brother Knight.
