December 2020 Issue 64

President's Message

John Murphy

December 2020

**Join us in January for our speaker
Stephen Frank, Candidate for California
Republican Chair, Senior Contributing
Editor to California Political Review**

This special edition of our club newsletter is dedicated to a special person, Barbara Hazlett, our founder and president for 11 years. It was her vision to start our Republican Club of Ocean Hills and her drive and people skills that helped develop it to the 150 member club it is today.

She was constantly inviting us to join her to attend Republican events, take on additional responsibility in our club, and to continually support conservative causes and candidates. We all now have a responsibility to carry on her legacy for the club and our ideals. Barbara knew it would take hard work to continue the strides we have made. The work will not get any easier, but it has become more important, even imperative. Please join me as we continue to grow our club, as we continue to give like minded conservatives a home to share their beliefs, and please join me as we do the hard work to turn California to a conservative state, one person, one club, one county at a time.

Barbara was very proud of our club and the strides we have made since 2009. She also knew the work ahead is vital to retaking California. I look forward to and I am honored to take the reins and help the club to grow in membership and relevance.

We are part of the California Congress of Republicans (CCR) whose 12 divisions across the state boasts 17 chapters or clubs like ours. We were recently recognized by the President of CCR for our 50% growth in our membership. Please visit their website at www.ccr-gop.com

God Bless you, Merry Christmas and Happy New Year!

John Murphy

Tributes to Barbara Hazlett

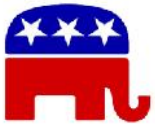

I met Barbara at a "Barbara Party" where everyone invited named "Barbara". It was a fun gathering. Being a lifelong Republican of course came up in

conversation and I was invited to the next RCOH meeting. Barbara was a special lady. She made everyone feel special. So glad she came into my life. So sad we are without her now. ~Barbara Judd

Barbara was an inspiring, hard working, and dedicated President of the RCOH. Barbara was always happy to share her wealth of knowledge in the political arena with anyone who asked. Her knowledge of political issues was truly amazing. Barbara started the RCOH in 2009 with about 12 people. It has since flourished to 151 members, fantastic. She cared deeply about the RCOH. Barbara will be greatly missed by many...peace to all. ~Judy Buoniconti

Barbara Hazlett was a friend and mentor and I will miss her kindness, support, and energy! She was an amazing leader of the Republican Club of Ocean Hills and I admired her determination and continued effort to build the organization and expand its outreach and support of Republicans. She never missed a beat and did everything with strength and goodwill. May she rest in peace! ~Andrea Ryon

My tribute to Barbara would be the wonderful memories of her Birthday Party and the happiness that she displayed so openly on her face that day! She was at her best when she had the mike in her hand and could orchestrate the events. That day, she was on top of her game. The growth of the Ocean Hills Republican Club is attributed to Barbara's attention to each and every committee and their accomplishments. I love that she was a brazen voice about her Republican values and her belief in the American way. Thanks to Barbara for being a true patriot and passing the belief on to others. ~Judy Rees

It was my honor to have helped Barbara, during the 2018 Primary, to organize what we called a "Candidates Forum" consisting of 6 candidates running for the 49th U.S. Congressional District. This Forum was held in the Clubhouse at Ocean Hills Country Club and we were thrilled to have had 32 OHCC Republicans volunteer to help us with this event. Abravanel Hall was filled with both OHCC & RCOH Republicans from the area. It was an amazing event and Barbara was a fantastic Speaker, introducing each of the Candidates individually. We are all going to miss Barbara for her expertise and enthusiasm for every Republican issue, both locally and nationally. At least she was able to Vote before she died. I'm glad that I was able to drop off her Ballot the Saturday before the Election. She will be missed. ~Joyce Malloy

As a relative new Corresponding Secretary of RCOH I don't have a lot of shared past with the club or with Barbara, but after two years I can surely say: what an amazing lady and patriot! She seemingly knew everyone; whenever they moved or were ill – whatever reason there might be for me to send a card, Barbara was on top of it. All the Republican speakers knew her well or were about to. She had insight and advice on any subject relating to Republican issues and probably on many others, as well. Her faith in God was so much a part of who she was, and is why I know her whereabouts going forward. Barbara is one-of-a-kind. She is greatly missed already. Thankfully, we will meet again. ~Peni Woehrman

My name is Barbara too! I remember Barbara Hazlett coming to our Women's Guild Fashion Shows in Shadowridge. Just about every time Barbara's winning ticket would come up in a drawing. She won many quilts handmade by our quilting ladies. At general meetings, she won cash, handbags and many more exciting gifts from the many raffles we sponsored. She would always greet me "Hi Barbara" among the many Barbara's we shared in our group of lady friends. One special moment I remember a few weeks ago, when I phoned her personally and told her I was a TRUMP GIRL and was happy she welcomed me to the Republican Club of Ocean Hills. I will always treasure this conversation in my heart. RIP Barbara! ~Barbara Miller

Barbara was an inspiration to everyone she met. Our community is a much better place because of all her hard work. I am saddened to hear of her passing. She will be sorely missed. My condolences to her family. ~Julie Nygaard

I first met Barbara when I walked into the Republican campaign office in Oceanside in 2016, and was greeted by a friendly and gracious lady, who when she found out I just moved to Ocean Hills urged me to come to the Club's next meeting. By the time I got there she had made me an officer. She talked me into going to several Republican events all over the State. At first, I felt an obligation to give her a ride, but eventually I came to relish those long drives and the chance to talk with Barbara. We talked politics but we mostly talked families. She raised 7 children of whom she was very proud, although she wished they were all Republicans and was disappointed that they didn't seem to respect her conservative ideas. Barbara was a relentless advocate for liberty and for old fashioned American self-reliance, smart as a whip, a tenacious advocate for doing the right thing, a loyal friend and a comfortable companion. I will miss her "hi Mike, what's up?" greeting whenever I called. Mike Richardson

I want you to know i loved and respected Barbara. She was a true patriot and loved God, family, and country. The funny story I remember about Barbara, was sitting at the Broken Yoke Republican Club meeting, back in 2016. Barbara was going over the November 2016 ballot. She got to the Oceanside City Council race, and she said with a straight face, "You Have to Vote for the Dead Guy!!!" Oceanside City Treasurer Republican Gary Ernst died, he was on the ballot, and you have to vote for him! Vote for the dead guy!!!! If he wins, the city council can select a replacement of their choice. Nobody questioned Barbara. I understood, (laughed under my breath) and although i lived in Carlsbad, if i were an Oceanside resident, i would definitely vote for Gary Ernst! We will miss Barbara. she was a kick!!! ~Niki Coates

Barbara was my first friend when I moved into OHCC in 2008. She was a recent widow and I had been widowed for eight years. We both raised large families as she had seven children and I had six. We had so much in common including losing our eldest sons. We went everywhere together - church, luncheons, dinners at my family's homes and even Las Vegas. One of our favorite outings was our pool time together as we both loved to yak and flap while watching the sunset. She was instrumental in starting the Republican Club of Ocean Hills. Initially there were just 11 of us and we would meet monthly in her beautiful home. Clay Marohnic was the first President and Barbara was the second. She held this title for eleven more years, with more "fervor" than anyone could imagine! We actually

kidded her that she had to hold on to the Presidency till death, as no one could compete with her energy and “total dedication” to the Republican Club. She will be dearly missed and I will forever treasure our memories! ~Rita Schnedar

Barbara will be missed by one and all. She often called me to take her in my car to attend Republican Events not in Ocean Hills Country Club. We had many wonderful talks then and she was so proud of her family when they put on a wonderful 90th birthday party for her. Very positive person and 10 years of the Ocean Hills Republican Club was her "baby" as the President and organizer of the club each month. She worked very hard at anything she took on and was a very focused person. She was fun to be with. ~Carol Farrell

I do hope Barbara rests in peace, she certainly deserves it! I joined in 2010 and served in 3 different positions on the Board, so am fully aware of her tremendous efforts contributing to its success! She will be terribly missed!!!! ~Pat St Pierre

Barbara was a firecracker. She fought hard for candidates and party officials to come speak at the Republican Club of Ocean Hills and wouldn't take no for an answer. She was a great Republican and a great, patriotic American who will be sorely missed. ~Tony Krvaric

Thank you Barbara for all you have done for all of us!
